Dear Sirs,

Regarding your daughter Mss. Ja Pace, I would like to confirm that after the analysis of all medical reports sent to the attention of Dr Pietro Sodani, IME Clinical Scientific Director Prof Guido Lucarelli accepts to receive the patient to perform bone marrow allotransplant (BMT) at IME Centre at Policlinico Tor Vergata in Rome. The date of beginning of the treatment is the 2nd of October.

As to the cost of the specific procedure for your daughter (Protocol 30) IME Centre will be charging an amount corresponding to € 145,760.00 (one hundred and forty five thousand seven hundred and sixty euros) – this rate covers the entire BMT process (hospitalization, patient final evaluation exams, related treatments and all required medication). Please note that latter follow up treatments are not included.

To formalize the acceptance of the patient and to assure the issuance of the visa by the competent authorities of the required permits to stay in Italy during the six months treatment period, we kindly request you to please proceed with the payment of €43,728.00 corresponding to the initial 30% of the total amount above mentioned through wire transfer to IME bank account with the following details:

BANCA NAZIONALE DEL LAVORO –BNL

SWIFT: BNLITRR

IBAN: IT19S0100503392000000021541

Fondazione I.M.E. – Rome – Italy

The remaining amount of the treatment cost must be paid before your return to Canada at the end of the treatment.

We look forward to see Mss Ja Pace here in Rome.

For any other issue please feel free to contact us to the above contact numbers.

Yours sincerely,

IME Foundation Commissioner

Ilja Gardi
